

# Use Less than Required Gallons

Last Modified on 05/11/2022 10:57 am EDT

Navigate to *Main Menu / Report Menu / Tank Reports / Tank Report Option 2 – Report #1.*

This report is to be process annually.

This gives the ability to enter a date range, tank size, and number of gallons required for delivery during a specified time frame. Running this report helps determine if a customer tank should be switched out to a smaller tank.

When running the report, *Delivery Type* is a required field. To see all delivery types, enter the full range of types by selecting the **Browse** buttons.

This report can also be processed by tank ownership. However, a focus should be made on company-owned tanks for inventory purposes.

**Report Descriptions**  
Allows user to enter a date range, tank size, and number of gallons that the customer has used. Prints all customers that used less than the required gallons of gas.
