

Bulk Truck Delivery Report by Truck

Last Modified on 11/28/2023 12:19 pm EST

Navigate to *Main Menu / Bulk Truck Delivery / Reports / Report #1*.

This report is to be processed daily and weekly.

Enter a specific truck (or 0 for all) along with a date range, Register #, and print all information regarding deliveries.

This report should be reviewed daily/weekly to determine if the gallons, totalizers, and mileage posted to the truck post properly into Energy Force.

If a discrepancy is found, it is advised to review the *Bulk Truck Delivery* screen to determine if there is an issue with the totalizers, mileage entered by the driver, or if there could possibly be missing sales needing posted.

The Bulk Truck Delivery by Truck report lists by truck the miles driven, gallons delivered, number of stops, and metered gallons for a date range.
