Regulator information is manually entered.

The screenshot shows a software interface with a 'Regulator Information' dialog box. The dialog box contains a table with the following data:

Manufacture ID	Manuf Name	Stage	Manufactured	Bus. Owns	Description
LV3303	REGO	High	01/01/08	Yes	
R652	FISHER	LOW	01/01/08	Yes	

Background interface elements include a search bar with '1' and a magnifying glass icon, a 'DD Region' dropdown menu, and a 'Charge' field with '02/'.
