

Meter Reports

Last Modified on 05/06/2026 1:01 pm EDT

There are various reports available in regards to meters and meter billing. Other options are *Meters Tied to Tank*, *Meter Reading Cards*, and *Meter Labels*.

The screenshot shows a web application interface for generating meter reports. On the left side, there is a vertical list of report types, each with a radio button and a label:
- 1 Types
- 2 Cycle Codes
- 3 Tied To Tank
- 4 Consumption
- 5 Cust WVO Meters
- 6 On Hold
- 7 Inactive Meters
- 8 Gallons in Meter Cust
- 9 Billed vs Delivered
- 10 Deposits
- 11 Meter List
- 12 Duplicate SHI
- 13 Tank vs Meter K Factor

At the top right, there are search fields for 'Division' (containing 'ABC PROPANE COMPANY') and 'to' (containing '2025'). Below these is a 'Meter Type' dropdown menu set to '0 For All'. In the center, there are two buttons: 'View' and 'Use Output Printer'. Below the buttons are two radio buttons: 'Printer' (selected) and 'Printed for Printer'. At the bottom, there is a section titled 'Report Descriptions' with the text 'Prints all customers by meter type range.' and a large empty rectangular box for the report output.
