Billing Type Setup

Last Modified on 09/22/2025 3:33 pm EDT

The system uses Billing Types to track budgets, payment arrangements, and contracts. A Billing Type is tied to a customer on the *Budget Information*, *Contract Gas*, or *Payment Arrangement* window. The Billing Type description will print on statements for budget and payment arrangement customers. Contract Gas and Budget Reports can be printed by the Billing Type.

Division	Billing Type	Description	Contract Type	100% PrePaid	Expires on Ending Date?	Energy Assistance Tax Exempt?	Contr Print Type	Description
1	1	PREBUY	Gallons	☐	☑	☐	0 🔍	
1	2	.25 MAX PRICE	Gallons	☐	☑	☐	0 🔍	
1	3	CENTS DOWN	Gallons	☐	☑	☐	0 🔍	
1	4	BUDGET	Gallons	☐	☑	☐	0 🔍	
1	5	ENERGY ASSISTANCE	Dollars	☐	☐	☐	0 🔍	
2	1	PREBUY	Gallons	☐	☑	☐	0 🔍
