

EnergyService Vehicles

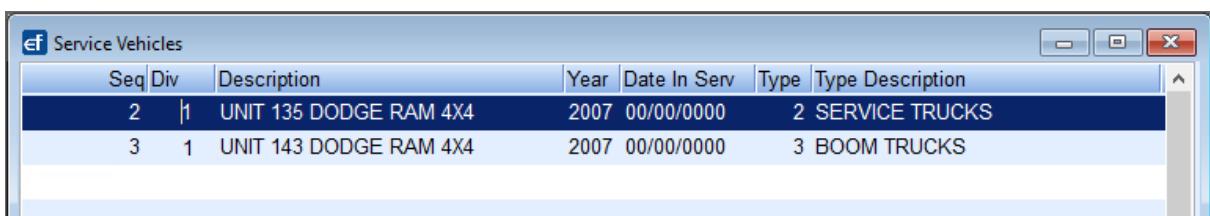

Last Modified on 01/20/2026 2:48 pm EST

Vehicle Types

1. From the Maintenance Tables menu, select **Vehicles**.
2. Choose **Vehicle Types**.
3. To create, press **Ctrl+C**.
4. Enter the *Description* of the Vehicle. The *Vehicle Type* code will automatically generate once the description is saved.
5. Press the **Down Arrow** or **F4** to enter a new Vehicle Type.
6. Press **Ctrl+Q** to save.

Service Vehicles

1. From the *Vehicle Menu*, select **Service Vehicles**.
2. To create, press **Ctrl+C**.
3. The *Seq* will be auto-assigned.

Service Vehicles						
Seq	Div	Description	Year	Date In Serv	Type	Type Description
2	1	UNIT 135 DODGE RAM 4X4	2007	00/00/0000	2	SERVICE TRUCKS
3	1	UNIT 143 DODGE RAM 4X4	2007	00/00/0000	3	BOOM TRUCKS

4. Enter the *Description* and *Year* of the vehicle.
5. Enter the *Date In Serv*.
6. Choose the *Vehicle Type* by pressing **F5** and select from the list.
7. Press the **Down Arrow** or **F4** to enter new Service Vehicle information.
8. Press **Ctrl+Q** to save.
