

Load / Unload Truck - Cylinder Exchange

Last Modified on 01/21/2025 9:26 am EST

1. Select **Load / Unload Truck**.
2. Select **Choose** to select the *Storage Location*.
3. Enter the number of cylinders from the *Storage Location* in the *Load* or *Unload* fields.

Load/Unload Truck

Truck: 90 Cylinder

Storage Location: BROWNSBURG Choose

Type	Description	Current	Load	Unload	New
BC	BOTTLE CABINET	10	0	0	10

Cancel Continue

4. Select **Continue**.
5. Select **OK** on the *Transfer Successful* message. This will navigate to the main menu.
