

Customer / Tank Inquiry - Refined Fuels

Last Modified on 04/29/2024 9:46 am EDT

This feature enables the driver to review information pertaining to a customer such as credit terms, tanks, budget info, account balances, etc. Customers are listed by Last Name, First Name, or by Business Name. Modifications with regard to customer tanks cannot be made within the *Inquiry* menu. All changes must be made within the *Unscheduled Delivery* menu.

Search by Customer Name

1. Tap in the field directly under the *Name* column.
2. Begin typing the last name of the customer or the first name of a business. As the letters are entered, the program begins to auto-arrange and sort.
3. Select the customer name to display the corresponding information.
 - Customer Name and Customer Number
 - Phone and Work Phone numbers
 - Customer Credit Limits and Aging (useful when on-call for off hours)
 - Budget Payment information
 - Customer Credit Terms (useful when on-call for off hours and Call-In customer types)
 - Safety Information (Last Date safety information was sent)
 - Alt Credits (balance information for Agris interface users)
 - Last Payment date and amount

Select **Tanks** to review information regarding tanks for the highlighted customer.

Route

This tab displays pertinent route information such as, *Customer Type, Delivery Type, Product, Price*, etc. See [Calculate Dollars](#) for more information on this button.

Comment:

Call In: Entered By:

Hold:

Tab colors will appear based on the following conditions:

- **Blue** – There is an active Call-In for the selected Tank.
- **Orange** – The *Preset Gallons* field will display in orange if the Call In is set for specific gallons.
- **Red** – There is an active Hold on this Tank.

Update %

This tab is used to update the percentage of propane in the tank without making a delivery. It is unavailable on the *Customer/Tank Inquiry* screen. See [Update %](#) for more information.
