

# Reporting - Refined Fuels

Last Modified on 11/01/2023 8:47 am EDT

View trip reports, re-print documents, and print the Current Trip report while actively in a shift.

## Trip Report

The *Trip Report* menu displays the trip reports associated with the handheld for the last 30 days. The driver can resend trips to Energy Force by unchecking the *Sent?* box and **Communicating** the handheld. A Trip Report can also be reprinted from this screen by highlighting the trip and selecting **Re-Print**.
