Meter Cycle Code Setup

Last Modified on 03/17/2025 10:53 am EDT

This table is found within Energy Force at *Main Menu / Supervisor Menu / Maintenance Menu / Maintenance Tables* .

Two purposes for this table are:

1. Cycle codes for meters, if applicable.
2. Cycle codes for monitors, if applicable.

These codes are setup in *Division* 1. Set a *Cycle Code* and *Description* for all needed cycles and select **Save** when finished.

Division	Cycle Code	Description
1	1	MONTHLY
1	50	MONITORS
