Energy Force

- **SKYR-1193 / Gallons Only Prepaid Contracts** – Prepaid Contracts have a new option where taxes are not deducted from the Net Due by checking the *Gallons Only Prepaid* box on the *Bill Type Maintenance* screen.

ef Billing Type Maintenance							
Division	Billing Type	Description	Contract Type	100% PrePaid	Gallons Only Prepaid	Expires on Ending Date?	Energy Assistance Tax Exempt?
1	7	PREBUY-100 PP	Gallons	☒	☐	☐	☐
1	8	PREBUT-GAL ONLY PP	Gallons	☐	☒	☐	☐

When checked, Energy Track Invoices include the taxes in the *Net Due* amount along with any other non contract items like Regulatory Fees or Overages.

Quantity	Description	Unit Price	Amount
336.0 G	LP RESIDENTIAL BULK	\$3.0000	\$1,008.00
	Sale # 1/485350		
	Indiana State Sales Tax		\$70.56
	End %: 77.00		
	Contract # 2237 / PREBUT-GAL ONLY PP		
1.00	DELIVERY FEE	\$5.0000	\$5.00
	Sale # 2/485350		
	Indiana State Sales Tax		\$0.35
	Invoice Sub		\$1,013.00
	Tax		\$70.91
Net Due			\$75.91

Contract Bill Types can have the *100% PrePaid* checked or the *Gallons Only Prepaid* but not both.

- **Why** – Not all prepaid contracts have the taxes prepaid as well as the gallons.
- **When/Where** – *Supervisor menu / Maintenance Menu / Maintenance Tables / Billing Types*
- **Action Required** – Check mark the *Gallons Only Prepaid* on the *Billing Type Maintenance* of Contracts where the taxes need to be included in the *Net Due* as the taxes have not been prepaid.
- **SKYR-1385 / Tank Sync Clearing Budget Billing** – Tank Sync no longer clears out the Budget Billing (Equal Billing) amount in Agvance.
 - **Why** – Prevent Tank Sync from clearing out amount in the Equal Billing Amount field in Agvance.
 - **When/Where** – *Posting Menu / Daily Clear Menu / Daily Tank Export*
 - **Action Required** – No action required.
- **SKYR-1389 / Automated Background Task Run Time** – Background Automated Tasks now checks every 5 minutes to see if there is a task that needs to run instead of every 30 seconds.
 - **Why** – To alleviate freezing or lock ups when the tasks are running.
 - **When/Where** – *Supervisor menu / Maintenance Menu / Automated Task Menu / Background Tasks*
 - **Action Required** – No action required.
